Indianapolis, In

## Summary

My name is Jacob Von Ogden, and I am a web development student at Eleven Fifty Academy. I am a passionate and competitive person who loves to learn new things. I strive to better myself a little bit each day in all aspects of life.

## Experience

### Server

Longhorn Steakhouse • Avon, Indiana  
01/2016 - 05/2018

Responsibilities include informing guests of available menu items and seasonal specials, answering guest's questions regarding menu items, accurately recording the guests order, pacing out their dining experience, and cashing each guest out.
